mshirts@colecounty.org

In November 2008 an initiative was brought forward, to establish a ½ cent sales tax for the purposes of funding emergency services within Cole County. In July of 2009 the County of Cole assumed operations of the EMS service form Capital Region Medical Center.

The service has ten ambulances deployed throughout the County and answers approximately ten-thousand calls per year employing both EMT's and Paramedic's providing ALS service 24/7/365.

If you have questions, or would like to more information please call 573-634-5678.
