### **MEETING MINUTES OF FEBRUARY 23, 2006**

Motion to approve the minutes made by Rudy Lemke.  
Motion seconded by Paul LePage.  
Motion passed unanimously.

### **INFORMATION PRESENTED**

- Larry Benz reviewed the Proposed Project List for the 2007-2011 Sales Tax Renewal. The following items have been added: Projects in cooperation with Villages, Jail Site Evaluation and Preparation, Animal Shelter, and Parking. A copy of the report was given to the members present.
- Larry Benz reviewed the Meadows Ford Road project. The standard ADT required to asphalt a road is 125. This road currently has an ADT of 113 at Old Lohman and 100 at the Route D end. It is the suggestion of Cole County Public Works that this road be asphalted rather than chip & seal.

The motion that Meadows Ford Road be asphalted was made by Rudy Lemke and seconded by Paul LePage. Motion passed unanimously.

- Eric Landwehr reviewed the Project Status Report (Revised: May 18, 2006) for the members present. A copy of the report was given to the members present.
- The meeting was adjourned at 8:56 a.m.
- The next meeting of this Committee will be on Thursday, August 17, 2006.
