Re: Addendum Three to Cole County Bid No. 2017-19: Courthouse Annex Improvements- Carpet, Paint & Ceilings

The following information hereby becomes part of the above-referenced Request for Bid and shall be fully considered in the preparation of your response.

QUESTIONS RECEIVED:

Q1. Several of our flooring subcontractors have called us regarding the project schedule for the project. Due to all of the summer school projects, and the tight timeline to finish them, would it be possible to start this project in September? If the work has to be completed over the summer, it is going to deter flooring subs from bidding it. Please advise.

A: This timeframe is acceptable to the County.

Respondents should be advised, however, that due to the processing of tax bills and collections in the Collector's Office beginning in September and absentee voting in the Clerk's office for a potential November election (determined at the end of August), contractors will have to coordinate very closely with the County elected officials with greater potential for work restrictions.

The bid receipt date and time have not been changed; submissions will be received until Friday, April 7 at 9:00 a.m. The deadline for questions is Friday, March 31.

I/We have received Addendum Number Three to Bid No. 2017-19 and have fully considered the information provided in preparing a response.
