Re: Addendum Two to Cole County Bid No. 2017-27: Weapons (Handguns)

**The following information hereby becomes part of the above-referenced Request for Bid and shall be fully considered in the preparation of your response.**

1. There is no response field for the value of the trade-in ammunition or the cost of new ammunition. Is the County expecting the vendors to offer an even swap, round for round of all 20,000 rounds?

**The County is expecting the vendors to offer an even swap, round for round of all 20,000 rounds.**

2. The authorized Winchester LE ammunition vendors for the state of MO are not necessarily also LE distributors for firearm makes the County may be interested in, and vice versa. Would the county consider an equivalent/alternate loading from another ammunition manufacturer? Or, will the county consider awarding separate vendors for its ammunition and firearms?

**No alternate loading will be accepted. The County may consider making award to separate vendors for its ammunition and firearms, but recommends a primary bid from one vendor for both and respondents may detail any other available offerings on a separate sheet titled "Alternate Offerings" should the County decide to break up the award.**

**The bid receipt date and time HAVE NOT BEEN CHANGED; submissions will be received until Friday, June 16 at 9:00 a.m. The deadline for questions is Friday, June 9.**

I/We have received Addendum Number Two to Bid No. 2017-27 and have fully considered the information provided in preparing a response.
