Re: Addendum One to Cole County Bid No. 2018-40: Public Safety Drone & Accessories

The following information hereby becomes part of the above-referenced Request for Bid and shall be fully considered in the preparation of your response.

1. Q. I saw the bid for the Public Safety Drones and I have one question for you. I usually only sell and support drones to my training clients. Is Cole County interested in drone training or just the equipment? I know that there is no mention of drone training in this bid document but I wasn't sure if this is something that might be on a separate bid. I thought I would ask.

A. Cole County is not interested in drone training at this time.
2. The first page of the bid documents erroneously identified the bid opening as Thursday, November 16. This has been corrected and now reflects Friday, November 16 at 11:00 a.m. as the bid opening date and time.

The bid receipt date and time HAVE NOT BEEN CHANGED; submissions will be received until Friday, November 16 at 11:00 a.m. The deadline for questions is Friday, November 9, 2018.

I/We have received Addendum Number One to Bid No. 2018-40 and have fully considered the information provided in preparing a response.
