However, in order to maintain a fair and equitable bid process, all respondents will be advised of any questions submitted, the County's response, and any other pertinent information related to this solicitation via the issuance of addenda, which will be posted at www.colecounty.org. All issued addenda are incorporated by reference as if fully set out herein. Respondents are cautioned that the only official position of the County is that which is issued in these specifications or by addendum thereto; no other means of communication, whether written or oral, shall be construed as a formal or official response or statement.

An addendum may contain information that could affect bid responses. It shall be the responsibility of the respondent to verify whether addenda have been issued prior to submitting an offer and to incorporate that information into their response; the County assumes no liability for respondents' failure to do so. Further, failure to have requested an addendum covering any questions affecting the interpretation of these specifications shall not relieve the awarded party from delivering the completed project, product and/or service in accordance with the intent of these specifications.

2.2 **RESERVATIONS.** The right is hereby reserved to reject any or all submissions for any reason, in part or in whole, received in response to this solicitation; to waive or not waive informalities or irregularities in any response or the bidding procedures; to request supplementary information from respondents as determined necessary to effectively evaluate responses; to cancel this solicitation, advertise for new and/or purchase off of cooperative purchasing contract(s); and to accept, request clarification or further negotiate

the terms, conditions and/or methodology of any response if, in Cole County's sole judgment, the best interests of the county will be so served.

- 2.3 **MODIFICATION/WITHDRAWAL.** Receipt of written notice or an in-person request from a properly identified individual prior to the official date and time set for bid opening must occur in order to modify or withdraw a submission which has been delivered to the office of the Cole County Commission.
- 2.4 **VALIDITY.** Respondents agree that submissions will remain valid for consideration by Cole County for a minimum period of ninety (90) calendar days after the date specified for bid opening.
- 2.5 **RESPONSE MATERIAL OWNERSHIP.** All material submitted in response to this solicitation becomes the property of Cole County and may be disclosed upon proper Sunshine Law request per 610.021(12) RSMo.
- 2.6 **EXCEPTIONS.** The wording of any bid documents or addenda thereto may not be changed or altered in any manner. Changes, additions or limiting provisions made on the invitation will render the bid informal and may cause its rejection. Taking exception to any clause in part or in whole does not necessarily disqualify a respondent; any such exception shall be clearly identified and described in full detail in the respondent's submission on a separate page clearly titled "EXCEPTIONS." Any exception will be evaluated and accepted or rejected by Cole County, whose decision shall be final and conclusive. In the absence of such declaration(s), the response shall be accepted as in strict compliance with all terms, conditions, and specifications requested and the awarded party shall be held responsible for providing the product or service accordingly.
- 2.7 **RESTRICTIVE LANGUAGE AND INTERPRETATIONS.** If a respondent has any questions which arise concerning the meaning or intent of these bid documents, plans or any part thereof which affect the cost, quality, quantity, or character of the project or service, respondent shall request in writing that an interpretation be made. Further, it shall be the responsibility of respondents to ask questions, request changes or clarification, or otherwise advise Cole County if any language, specification or requirement of this solicitation appears to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit responses to a single source. Such notification must be directed to the Purchasing Agent in writing at jprenger@colecouny.org and received at least five (5) business days prior to the date set for bid opening. An addendum will be issued which shall then be posted at www.colecouny.org. Failure to have requested an addendum covering any questions affecting the interpretations of the bid documents shall not relieve the successful respondent from delivering the product, service or completed project in accordance with the intent of the bid documents. Should any differences arise as to the meaning or intent of these specifications, Cole County's interpretation shall be final and conclusive.
- 2.8 **SCOPE.** The County reserves the right to select elements from different individual proposals and to combine and consolidate them in any way that best serves the County's interest. The County reserves the right to reduce the scope of the project and evaluate only the remaining elements from all Proposals. The County reserves the right to reject specific elements contained in all Proposals and to complete the evaluation process based only on the remaining items.
- 2.9 **EQUIVALENT MATERIAL/EQUIPMENT.** Any listed manufacturer/model number(s) or a definite reference to a particular material or piece of equipment is intended to establish a minimally acceptable design, type, quality, functional capacity, and/or desired performance level. It is to be understood that any equivalent alternate which will perform adequately the duties imposed by the general design may be proposed and bid so long details sufficient in establishing equivalency are included in the response. Acceptance is subject to approval of the County which may request further information, sample(s) and/or a demonstration prior to bid award. Cole County shall be the sole judge of equivalency.

- 2.10 **LIKE OR SIMILAR PRODUCT.** Cole County reserves the right, at its sole discretion, to obtain “like or similar” product and/or service to that which has been specified when use of such product or service is deemed in the best interest of the county.
- 2.11 **BID FORMS.** Bids made on anything other than the official bid form(s), if provided by Cole County, will render the bid informal and may cause its rejection.
- 2.12 **QUALIFICATIONS OF RESPONDENTS.** Cole County may make such investigations as deemed necessary to determine the ability of any respondent to provide the product and/or service described herein. Respondent shall furnish to the County all such information and data for this purpose that the County may request. - 2.13 **EVALUATION.** The County’s sole purpose in the evaluation process is to determine from among the responses received which one is best suited to meet the County’s needs at the lowest possible cost. Any final analysis or weighted point score does not imply that one Bidder is superior to another, but simply that in our judgment the Contractor selected appears to offer the best overall solution for our current and anticipated needs at the lowest possible cost.
- 2.14 **PREFERENCE.** In making bid awards, Cole County shall give preference to all firms, corporations, or individuals that maintain office or places of business within the County of COLE when the quality of the commodity or performance promised is equal or better and the price quoted is the same or less.
- 2.15 **BASIS OF AWARD.** Award shall be made to the bidder(s) whose offer best responds to the quality, capacity, and service requirements of Cole County, as determined by the County. Award may be made on an item-by-item basis to the lowest and best bids or award may be made to the lowest and best bid overall, whichever the County determines is in its best interest. A staff recommendation will be made to the Cole County Commission who will ultimately make the award decision.
- 2.16 **SUCCESSFUL OFFER AS PART OF CONTRACT.** Offers received in response to this solicitation, at the County’s discretion, may be incorporated into the awarded contract and may serve as basic terms and conditions for the ultimate contract. Therefore, applicants are advised that, if successful, they will be held responsible for levels of services proposed at the funding levels quoted. The County reserves the right to not execute a contract following this solicitation and to negotiate modifications or revisions to any awarded contract.
- 2.17 **PRICES.** Prices must be stated in units of quantity specified and must be firm. Pricing submitted shall include all cost, of whatever nature, that is involved in achieving the good or service per the bid documents.
- 2.18 **TAX EXEMPTION.** Cole County is funded by public monies and as such has been approved by the State of Missouri for sales/use tax-exempt status. The Missouri tax identification number and certificate is available to the successful respondent upon request.
- 2.19 **ACCEPTANCE.** No equipment, supplies, materials and/or services received by Cole County pursuant to this solicitation shall be deemed accepted until the County has had reasonable opportunity for inspection or evaluation. Cole County reserves the right to reject anything that does not comply with reasonable expectations based on the specifications outlined herein.
- 2.20 **DELAYS AND DEFAULT.** The delivery date(s) or when work will start shall be stated in definite terms as they may be taken into consideration when making award. Cole County reserves the right to cancel all or any part of an order or service if delivery is not made or work not started as guaranteed. In case of delay,

the Contractor must contact the County to notify of said delay and arrange an alternate schedule if agreeable to the County. In case of default by the bidder or contractor, the County may procure the articles or services from other sources and hold the bidder or contractor responsible for any excess cost occasioned thereby.

- 2.21 **APPLICABLE LAW.** In submitting a bid, the respondent warrants that it has complied with all applicable laws, rules and ordinances of the United States, Missouri or any other governmental authority or agency in providing the product(s) or service(s) specified herein. Any contract resulting from this solicitation is to be interpreted by the laws of Missouri. The parties agree that the proper forum for litigation arising out of the contract resulting from this solicitation is Cole County, Missouri.

- 2.23 **AS NEEDED, IF NEEDED.** The contractor shall provide product or service on an “as needed, if needed” basis for Cole County in accordance with the provisions and requirements stated herein. Any usage quantities included in this request are based on estimated need; Cole County reserves the right to increase or decrease quantities to meet actual needs and maintain the quoted pricing.
- 2.24 **ASSIGNMENT.** The selected company shall not assign the Contract, subcontract it, or sublet it as a whole without the prior written consent of Cole County. Assignment, subcontracting, or subletting without such consent will in no way relieve the company of its obligations under this Contract.
- 2.25 **FUNDS.** Financial obligations of Cole County payable after the first fiscal year are contingent upon funds for that purpose being appropriated, budgeted, and otherwise made available. In the event funds are not appropriated, any resulting Contract will become null and void, without penalty to Cole County.
- 2.26 **CHANGE ORDERS.** The final contract between Cole County and the successful respondent will include, by reference, the awarded party’s response and the specifications of this invitation. The County may make changes within the general scope of these specifications and/or the contract resulting from this solicitation, yet all departures from the accepted plans and specifications will be considered unauthorized unless the awarded party has obtained a change order, signed by the Cole County Commission, authorizing and directing such changes or departures. No other individual is authorized to modify the contract in any manner. All unauthorized work, and the correction of such work, shall be at the expense of the contractor.
- 2.27 **COLLUSION CLAUSE.** Any agreement or collusion among respondents and/or prospective respondents to illegally restrain freedom of competition by agreement to fix prices or otherwise will render the responses of such respondents void.
- 2.28 **COMPLIANCE WITH EMPLOYMENT LAWS.** In connection with the furnishing of supplies or performance of work under this Contract, the company agrees to comply with the Fair Labor Standard Act, Fair Employment Practices, Equal Opportunity Employment Act, and all other applicable Federal and State laws and further agrees to insert the foregoing provisions in all subcontracts awarded hereunder. Respondents are informed pursuant to Section 285.530, RSMo, as a condition of the award of any contract in excess of five thousand dollars (\$5,000.00), the successful bidder shall, by sworn affidavit and the provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection to the contracted services. Successful Respondents shall also sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection to the contracted services.
- 2.29 **COOPERATIVE PROCUREMENT.** Respondents may choose whether or not to participate in cooperative purchasing. Various State Agencies, City, and County Offices may or may not request an unknown

quantity of goods or services under this bid during the bid period or resulting agreement period at the same prices, terms and conditions stated herein.

It is agreed and understood that each participating political subdivision will make its own separate contract with the successful respondent, that each participating political subdivision shall only be liable to the successful respondent for materials or supplies contracted for by that political subdivision without any liability for purchases contracted for by any other participating political subdivision, and each successful respondent shall be required to bill each participating political subdivision directly for those materials or supplies for which it has purchased.

In the event of any dispute between a political subdivision and a successful bidder arising after a contract of purchase has been executed, such dispute shall be handled by and between the particular political subdivision affected and the contractor.

2.30 CONTRACT TERMINATION.

2.30.1 TERMINATION FOR DEFAULT. If, through any cause, the awarded party shall fail to fulfill, in a timely and proper manner, its obligations under the contract resulting from this solicitation, or if the awarded party shall violate any of the covenants, agreements, or stipulations of said contract, Cole County shall thereupon have the right to terminate this contract for cause by giving written notice to the awarded party of its intent to terminate and at least ten (10) calendar days to cure the default or show cause why termination is otherwise not appropriate. In the event of termination, all finished or unfinished documents, data, studies, survey, drawings, maps, models, photographs, and reports or other material prepared by the awarded party under this contract shall, at the option of Cole County, become its property, and the awarded party shall be entitled to receive just and equitable compensation for any services and supplies delivered and accepted. The awarded party shall be obligated to return any payment advanced under the provisions of this contract.

Notwithstanding, the awarded party shall not be relieved of liability to Cole County any damages sustained by the County by virtue of any breach of the contract by the awarded party, and the County may withhold any payment to the awarded party for the purpose of mitigating its damages until such time as the exact amount of damages due the County from the awarded party is determined.

If after such termination it is determined, for any reason, that the awarded party was not in default, or that the awarded party's action/inaction was excusable, such termination shall be treated as a termination for convenience.

2.30.2 TERMINATION FOR CONVENIENCE. The performance of work under the contract resulting from this solicitation may be terminated by Cole County in whole or in part at such time that the Cole County Commission determines that such termination is in the best interest of Cole County. Any such termination will be affected by delivery to the awarded party of a letter of termination specifying the extent to which performance of work under the contract is terminated and the date upon which such termination is effective.

After receipt of a termination letter the awarded party will:

- Stop work on the contract on the date and to the extent specified in the letter.
- Place no further orders for materials, services or facilities except as may be necessary to complete any portions of the work under contract not terminated.
- Complete on schedule such part of the work as will not be terminated.

3.0 SCOPE

3.1 **OVERVIEW.** Cole County is soliciting bids from qualified respondents to establish service costs and hourly rates for oil changes and general maintenance and repairs for the Emergency Medical Services (EMS) vehicle fleet. It is the intent of the County to establish relationships with multiple preferred shops which will be used by the County on an as needed, if needed basis. Shop utilization will be determined per job and at the sole discretion of the County based on cost and availability. 3.3.1 **BIDDER QUALIFICATIONS.** Respondents must have the ability to perform all required preventative maintenance and repair services outlined herein. Any response not containing pricing for all service outlined on the Bidder Response Form will be rejected.
