Re: Addendum One to Cole County Bid No. 2020-05: Vegetation Spray Materials

The following information hereby becomes part of the above-referenced Request for Bid and shall be fully considered in the preparation of your response.

- Q: I need to point out to that item #7 on your product list, *(DuPont – Perspective)*, is no longer produced and is not available any longer.

A: **The discontinued product for Item #7 is hereby replaced with Opensight (or alternate equivalent) as reflected on the revised Bidder Response Form, attached. Please discard the previous version from the original bid documents.**

The bid receipt date and time HAVE NOT BEEN CHANGED; submissions will be received until Thursday, February 6 at 3:00 p.m.

I/We have received Addendum Number One to Bid No. 2020-05 and have fully considered the information provided in preparing a response.

BIDDER RESPONSE FORM

(Revised per Addendum One)

Bid No. 2020-05, Vegetation Spray Materials

The bidder must submit with each bid one (1) current and complete Manufacturer's Label and Material Safety Data Sheet including the chemical composition for each product to be furnished and directions for application, precautionary statements, environmental hazards, pesticide and container disposal and any other pertinent information such as the required minimum standards listed for surfactants. It is acceptable and preferred for said labels and SDS to be submitted via flash drive in lieu of paper copies. Any material delivered that is labeled differently than the labels accompanying the bid may be rejected. All chemicals must be registered in Missouri and labeled in accordance with State Law.
