FOR IMMEDIATE RELEASE – July 15, 2021

COLE COUNTY, MO –

COVID-19 Vaccination Information: As of today, Cole County’s COVID-19 vaccination rate is approximately 42%.

There are at least fourteen locations Cole County where COVID-19 vaccine is available. Most retail pharmacies (like HyVee, Wal-Mart, Walgreens and Target) are open every day and do not require an appointment for a COVID-19 vaccination. Please visit [Covid Vaccine | Find A Vaccine \(mo.gov\)](https://www.mo.gov/covid-vaccine) to find a vaccine location near you.

Starting July 22nd, the Cole County Health Department will offer vaccines at their facility located at 3400 W. Truman Blvd on Thursdays, from 9 am to 3 pm. Walk-ins are welcome, no appointment needed. Pfizer vaccines will be available.

Capital Region will begin to offer vaccines late next week in the Capital Care Pharmacy located on the second floor of the physician’s office building, 1125 Madison Street. Walk-ins are welcome during business hours, Monday – Friday, 7:30 a.m. to 5:00 p.m. Patients will have the option of Johnson and Johnson or Pfizer. COVID-19 vaccinations are currently available at the Capital Care Pharmacy in Versailles, 901 Kidwell Dr, open Monday – Friday 8:00 am to 5:00 pm.

SSM Health Medical Group clinic locations will begin providing COVID-19 vaccinations at sites next week for established and new patients. COVID 19 vaccinations continue to be provided to SSM employees and for inpatients since July 7. Vaccination options for Emergency Department patients will soon be available.
